

Question for written answer E-014972/2015
to the Commission
Rule 130
Daniel Dalton (ECR)

Subject: Business involvement in the Technical Regulation Information System (TRIS) notification procedure

As regards the Technical Regulation Information System (TRIS) notification procedure on potential barriers to trade in Europe established under Directive (EU) 2015/1535:

1. What steps has the Commission taken to raise awareness among the business community in Europe of businesses' ability to contribute to the TRIS?
2. How many individual contributions from stakeholders has the Commission received in 2015?
