

**Question for written answer E-015756/2015
to the Commission**

Rule 130

Mairead McGuinness (PPE)

Subject: Joint Action on Mental Health and Wellbeing (JAMHWP)

Increased awareness of mental health and wellbeing, prevention of mental disorders and the improvement of care were focal points during the European Health Forum Gastein in October of this year.

Can the Commission clarify how it intends to strengthen and develop a more effective European public health strategy to respond to mental illnesses?

Can the Commission also clarify the amount of allocated funding per annum for promotional campaigns that raise awareness of mental disorders?
