

**Question for written answer E-014772/2015
to the Commission**
Rule 130
José Blanco López (S&D)

Subject: Possible fraud in CAP subsidies

In its answer given on 13 May 2015 to question E-003940/2015, the Commission stated that it had 'taken note of the allegations of possibly illicit claims of direct payments in the region of Guitiriz'. It also said, 'the competent Spanish authorities are aware of the allegations and [it] trusts that they will take all necessary steps to ensure that possible irregularities be corrected and CAP funds consequently recovered in line with their obligations under CAP rules'. The answer also stated that 'the Commission services [would] assess the allegations, and, if appropriate, refer them to the European Anti-Fraud Office'.

Now six months on, does the Commission have any new information about this case?
