

**Question for written answer E-015196/2015
to the Commission**
Rule 130
Margot Parker (EFDD)

Subject: Reducing regulatory burdens for small businesses

19 Member States, including the United Kingdom, have requested better legislation to reduce the administrative and regulatory burden on small businesses.¹

Can the Commission please outline its intended response to this request and state if it acknowledges that the problem exists and needs to be addressed?
