

**Question for written answer E-015036/2015
to the Commission
Rule 130
Victor Negrescu (S&D)**

Subject: Unitary set of guidelines regarding safety in public spaces

On 30 October, a conflagration occurred at a club in Bucharest, Romania. 60 people lost their lives in this tragic event, while over 100 further victims are still hospitalised with severe injuries. In light of this tragedy, what possibilities are there for implementing a unitary set of guidelines with respect to health and safety regulations in public spaces, under the aegis of the Commission?
