Subject: Follow-up to Written Question E-013156-15 on homelessness and free movement

In reply to Written Question E-013156/15, the Commission states that 'the European Structural and Investment Funds can support the social and labour market participation of homeless people, including through a combination of housing and other enabling support services and employability/training opportunities'.

1. Can the Commission provide figures for the amount of assistance which has been directed to homeless people under the abovementioned EU funds?
2. Can the Commission indicate the number of homeless people, per country and per nationality, who have benefited from the abovementioned funding?
