Subject: A sustainable strategy for general and business aviation

In February 2009, the European Parliament passed a resolution on an own initiative report on 'an Agenda for Sustainable Future in General and Business Aviation' (2008/2134(INI)) with regard to a Commission communication of the same name (COM(2007)0869), but there has not yet been an official response.

What is the Commission's response to this own initiative report?
