Subject: VP/HR - Persecution of the Ahmadiyya Muslim community in Pakistan

Is the High Representative aware that on Friday 20 November 2015 the Ahmadiyya Muslim community in Jhelum, Pakistan was attacked by a violent extremist mob, after which 200 Ahmadis were forced to flee their homes, that Ahmadi Muslims in Pakistan face continual persecution and intimidation and that since 1984 more than 250 Ahmadis have been killed simply on grounds of faith?

Can the High Representative please confirm what action the EEAS is taking to raise this matter with the Pakistani authorities?
