

Question for written answer E-015769/2015
to the Commission
Rule 130
Daniel Dalton (ECR)

Subject: EU meat inspection rules at slaughterhouses

It has recently been reported that the Commission is considering changes to meat inspection rules at slaughterhouses.

Can the Commission confirm that this is the case?

The current meat inspection rules at slaughterhouses have been developed in response to serious problems in the past, and any changes to these rules need to be considered very carefully indeed.
