Subject: Parliamentary questions procedure - failure to comply with the deadline for responding

On 7 October 2015, I put a written question (E-013561/2015) to the Council on Operation RABIT and the European Corps of Border Guards. I have yet to receive an answer.

The question is particularly topical given that the Commission has recently come forward with a package on coastguards and border guards.

I put the question once again to the Council, which has failed to comply with the six-week deadline for answering the question.
