to the Commission**

Rule 130

Francisco José Millán Mon (PPE)

Subject: EU-China Investment Agreement

The ongoing negotiations between the EU and China on an investment agreement are a very important aspect of EU-China bilateral relations. The negotiations began in November 2013.

With two years having passed now since these negotiations began, could the Commission provide information on the current state of play? Will it still be possible to establish a joint text by the end of 2015, as envisaged in the statement at the end of the EU-China Summit on 29 June? What are the main points of the agreement?
