Subject: ALDHU - impartial arbitration for compensation for financial damages and damage to its public image

The *Asociación Latinoamericana para los Derechos Humanos* (ALDHU) is an international non-governmental organisation, founded on 13 August 1980 in Quito (Ecuador), that encourages the fight for the creation, defence, promotion and respect of human rights and democracy in Latin American and the Caribbean.

Would the Commission consider the possibility of participating in impartial arbitration, requested jointly with ALDHU, before the European Parliament Subcommittee on Human Rights or another authority agreed upon, in relation to the matter of compensation for financial damages and damage to the public image and reputation of ALDHU as a result of the sanction of a one-year suspension of its eligibility for projects financed by the European Union, based on an inaccurate audit?
