

Question for written answer E-014535/2015
to the Commission
Rule 130
Siôn Simon (S&D)

Subject: Transgender persons and healthcare

The European Agency for Fundamental Rights (FRA) conducted a study, which was published in 2013, on the rights of LGBT persons. The study showed that one in five of the people surveyed felt discriminated against for being transgender.

What is the Commission doing to ensure that healthcare providers in the Member States are receiving adequate training and awareness, as recommended by the FRA's study?
