

**Question for written answer E-015370/2015
to the Commission**
Rule 130
Sven Giegold (Verts/ALE)

Subject: Development of indicators to measure economic activity in the tertiary sector and the social economy

Under Article 4(3) of the European Statistical Programme 2013-2017 the EU is required to develop reliable indicators to measure economic activity in the tertiary sector and the social economy.

1. What concrete measures has the Commission taken to this end?
2. When does it expect to see concrete results?
3. What further concrete measures is it preparing?
