

Question for written answer E-014939/2015
to the Commission
Rule 130
Tomasz Piotr Poręba (ECR)

Subject: TEN-T network guidelines

The next revision of EU guidelines on the TEN-T network is planned for 2023.

Given the change to the geopolitical climate in Europe and the ongoing war in Ukraine, does the Commission see a possibility to carry out an early review of the transport priorities of individual EU Member States?
