to the Commission
Rule 130
Alain Cadec (PPE)

Subject: Investments from the EMFF in adapting fishing ports to meet landing requirements

Article 43 of Regulation 508/2014 on the European Maritime and Fisheries Fund provides for investments in fishing ports, in order to facilitate compliance with the obligation to land all catches.

Can the Commission provide information on the programming of these investments in the Member States? How do these investments reduce the cost to fishermen of landing non-marketable catches?
