to the Commission**
Rule 130
Peter van Dalen (ECR)

Subject: Driving licence forgery

Further to my previous questions to the Commission¹ and Europol's response to my letter regarding proven driving licence forgery in Lithuania²:

Can the Commission indicate what results have been obtained by the Europol 'Target Group Rain' and what information has been obtained from the Lithuania liaison office to date?

Can the Commission indicate what Europol and TISPOL have done to combat (heavy vehicle) driving licence forgery?

What measures, if any, are being envisaged by the Commission to tackle driving licence forgery in the EU?
