

**Question for written answer E-015569/2015**  
**to the Commission**  
Rule 130  
**Deirdre Clune (PPE)**

Subject: Limiting the use of antibiotics in farming

Can the Commission outline what plans are in place to limit the use of antibiotics in farming? This represents a critical threat to public health. Among the risks from widespread use of drugs in agriculture is that drug-resistant infections could be transferred from animals to humans eating undercooked meat.
