

**Question for written answer E-014510/2015
to the Commission**
Rule 130
Richard Corbett (S&D)

Subject: Recreational fisheries and the CFP

Given that recreational fishing is now included in the Common Fisheries Policy through both the control regulations and the TAC/quota regulations (specifically through the new minimum conservation reference sizes and the bag limit for sea bass), does the Commission therefore believe that the scope of Article 17 of the Common Fisheries Policy should extend to recreational fishing?
