Subject: Point of order - failure to meet deadline for reply

On 29 September 2015 I tabled a written question to the Commission in order to obtain a detailed breakdown of the EU funding being channelled towards Syria and its immediate neighbourhood (question E-013227/2015).

From the point of view of the migration crisis the matter raised is of crucial relevance, as it is considered to be one aspect of the Commission's migration management policy.

I am therefore asking the question again and would appreciate an answer as soon as possible, bearing in mind that the Commission has failed to reply within the mandatory time limit of six weeks.
