

Question for written answer E-015852/2015
to the Commission
Rule 130
Deirdre Clune (PPE)

Subject: Using an enhanced Frontex to police illegal drug smuggling

In light of plans to change Frontex into a European border and coast guard agency, does the Commission envisage that such a force could be used to assist countries like Ireland to police illegal drug smuggling, given that we have one of the longest and most exposed coastlines in Europe – which has been an attractive entry point into Europe for international drug smugglers?
