

**Question for written answer E-014511/2015
to the Commission**

Rule 130

Anneli Jäätteenmäki (ALDE), Liisa Jaakonsaari (S&D) and Jens Nilsson (S&D)

Subject: The upcoming Arctic communication

How will the Commission take into account Parliament's resolution of 10 March 2014 on the EU strategy for the Arctic in the forthcoming communication on the Arctic, and will it be followed by a concrete action plan as was called for previously?

How are issues such as well-functioning infrastructure and logistics, sustainable economic development, research and innovation, transport corridors and connectivity of Arctic regions with the rest of Europe being taken into account?

Furthermore, are there plans to improve EU internal structures and coherence in managing Arctic issues?
