to the Commission**
Rule 130
Theodoros Zagorakis (PPE)

Subject: Implementation of Erasmus+ initiatives for young people and results obtained

The Erasmus+ programme is the Commission's principal financial instrument for the promotion of mobility, education, training, youth and sport. The European Parliament is currently drawing up an own-initiative report on implementation of the Erasmus+ programme and the results obtained, which is expected to be put to the vote next year in the Committee on Culture and Education.

In view of this:

1. Does the Commission have any information regarding the implementation of the programme to date in the Member States, the situation in Greece and project funding disbursed?
2. Can it give any details regarding project funding approved to date for young people in Greece? How many young people from Greece have taken part in EU youth mobility initiatives?
