Subject: VP/HR - Christians discriminated against in refugee camps

During the conference on the persecution of Christians, held on 1 December in the Brussels headquarters of the European Parliament, the Archbishop of Sarajevo, Vinko Puljic, condemned the discrimination against Christians in refugee camps under threat from Islamic extremists.

Can the Vice-President/High Representative say whether she intends to take action to put an end to the discrimination and persecution of Christians taking place, even in refugee camps, at the hands of Islamic fundamentalists?
