

**Question for written answer E-015246/2015
to the Commission**
Rule 130
Jonathan Arnott (EFDD)

Subject: Labelling of products produced in disputed territories of Israel

I note that the Commission has produced guidance with respect to products produced in disputed territories of Israel which do not form part of the pre-1967 Israeli boundaries¹.

I am concerned as to whether a consistent approach is being taken with regard to similar issues.

Can the Commission confirm whether similar action has been taken, or is proposed, relating to products produced in other territories around the world?
