Subject: VP/HR - EU envoy to Colombian peace talks

On 1 October 2015 the High Representative of the EU for Foreign Affairs and Security Policy, Federica Mogherini, announced that Eamon Gilmore had been appointed as the EU's envoy to the Colombian peace talks.

Will the VP/HR outline exactly what Eamon Gilmore's role will be and what activities he will be undertaking?

Have both sides to the negotiations agreed to an EU envoy and will the envoy be given privileged access to the negotiations?

If the envoy travels to both Colombia and Cuba and meets both negotiating teams, will regular contact be maintained with both teams?
