to the Commission**  
Rule 130  
**Fabio De Masi (GUE/NGL)**

Subject: TIM Hellas

What conclusions does the Commission draw from the buyout and unloading of debt on the former and once profitable Greek mobile phone company TIM Hellas by the private equity funds Apax and TPG in terms of potential loopholes in the Alternative Investment Fund Managers Directive, which has to be reviewed in 2017?

What conclusion does the Commission draw in terms of hybrid mismatches in tax laws?
